Verse

They say, "The holy water's watered down

And this town's lost its faith, our colors will fade eventually" So if our time is runnin' out

Day after day, we'll make the mundane our masterpiece

Pre-Chorus

Oh my, my

Oh my, my love... I take one look at you

Chorus

You're takin' me out of the ordinary

I want you layin' me down 'til we're dead and buried

On the edge of your knife, stayin' drunk on your vine

The angels up in the clouds are jealous knowin' we found

Somethin' so out of the ordinary

You got me kissin' the ground of your sanctuary

Shatter me with your touch, oh Lord, return me to dust

The angels up in the clouds are jealous knowin' we found
